STRIVING FOR EXCELLENCE: STEP-BY-STEP

CHANGE A CHILD'S LIFE!
OPPORTUNITIES TO ENGAGE

HOW CAN I SUPPORT THE TRANSFORMATION OF CHILDREN'S LIVES IN ENFIELD?

We want every partner we work with to have a real impact on the lives of our children. Below is a variety of examples of how you can support One Degree Academy. Each one can be tailored to suit the requirements of your organisation and ensure the best outcomes for our Children. We will work with you prior to your visit and keep you updated about the impact you have had after your visit to One Degree Academy.

PROJECT: SPECIALIST AREA – OUTDOOR PLAY SPACE

Impact: We want our Early Years provision to benefit from a wide variety of learning opportunities. You will have the opportunity to support your own learning/play piece in our outdoor play area. This might be creating a theatre area for public speaking, developing our herb garden or creating a race track for our toy bikes.

Support required: £100 - £1,000

PROJECT: SPECIALIST AREA - FOREST SCHOOL

Impact: All our children come from urban environments. We are developing a small wild area in our school to expose our children to nature and provide a unique learning environment for our children. You will have the opportunity to support a complete new area, be this a fire pit, outdoor classroom or sensory wall.

Support required: £500 - £2,000

PROJECT: SPECIALIST AREA – SPORTS AREA

Impact: We want to provide a dedicated outdoor sports area for our children to play football. You will have the opportunity to support us to buy a portable, mobile soccer pitch and multi-use games area (MUGA). This will allow our children to develop a passion for sports and to play safely whilst in our temporary accommodation.

Support required: £3,500- £8,000

PROJECT: PSYCHOTHERAPIST

Impact: We want to support some of our most vulnerable children to get the best possible start in life. Your support will help pay for specialist support from leading providers such as The Anna Freud Centre and the Tavistock Centre. This will enable regular therapy for some of our most vulnerable children and families.

Support required: £20,000

PROJECT: ONE DEGREE ACADEMY ORCHESTRA

Impact: Using the Kodaly method, we want all our children to develop their musical literacy. The privilege of playing a musical instrument should be for everyone. Your support will provide for a early years music teacher and instruments to enable all our children to develop musical skills and musical concepts.

Support required: £30,000

PROJECT: WEBSITE SPONSORSHIP

Impact: Your support will mean your logo and company details on our website as a valued supporter of our children at the Academy. Your financial contribution will help providing a better environment for our children, for example; helping to subsidise a breakfast or after school club, paying for our children to attend a visit to the theatre or visit to a museum in Central London.

Support required: £250 - £1,000
